		Thrust Metal	TW-1030GP	¥1,100	¥1,100		¥1,100		
		Connecting rod metal	CB-1032GP	¥7,140	¥8,160		¥8,740		

*The above NDC metals are not reinforced parts for racing. They are metals for use in standard overhauls of OEM equivalent parts.

If high strength is required, please use racing metal or have WPC molybdenum treatment applied.
