

KAMEARI RACING METER

Meter

100φ Smith Classic Tachometer

[Specifications] **¥46,000**
 Type: Electric
 Display range: 0 - 10,000 rpm
 Face plate color: Black
 Illumination: Colorless
 Outer diameter: 100φ

*100φ aluminum meter panel ¥2,000

60φ Fuel pressure gauge (black & blue)

[Specifications] **¥13,000** (reinforced stainless steel mesh hose sold separately)
 Type: Mechanical Bourdon type
 Display range: 0 - 0.8 kg/cm²
 Face plate color: Black & dark blue
 Illumination: Blue
 Outer diameter: 60φ

Supports a maximum pressure of 130kg/cm² or more! This reinforced hose boasts outstanding durability compared to conventional rubber hoses. A high-performance hose with excellent pressure resistance, abrasion resistance, and aesthetics, with a Teflon tube as the base and stainless steel mesh wrapped around it. (Can also be used for hydraulic gauges)

Fuel pressure gauge reinforced stainless steel mesh hose	
Length 1.5m Product number: 190002	length 2.0m Part number: 190003
¥6,000	¥6,500

3-way joint
Product code: 190005
¥2,200

60φ meter panel
Product code: 190004
¥1,000

part that is inserted into the middle of the fuel hose and connected to the reinforced stainless steel mesh hose.

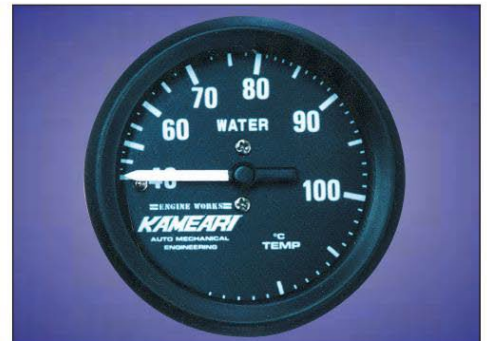

52φ Oil pressure gauge

[Specifications] **¥11,000** (Reinforced stainless steel mesh hose sold separately)
 Type: Mechanical Bourdon type
 Display range: 0 - 10kg/cm²
 Face plate color: Black
 Illumination: Blue
 Outer diameter: 52φ

52φ Oil temperature gauge

[Specifications] **¥14,000**
 Type: Mechanical Bourdon type
 Display range: 50 - 130°C
 Face plate color: Black
 Illumination: Blue
 Outer diameter: 52φ
 Sensor: M16×1.5 (length 2m)

52φ Water temperature gauge

[Specifications] **¥14,000**
 Type: Mechanical Bourdon type
 Display range: 40-115°C
 Face plate color: Black
 Illumination: Blue
 Outer diameter: 52φ
 Sensor: M16×1.5 (2m long)

Oil pressure gauge reinforced stainless steel mesh hose	
1.0m Product number: SUP-010	¥5,000
1.5m Part Number: SUP-015	¥6,000
2.0m Product number: SUP-020	¥6,500
3.0m Product number: SUP-030	¥7,500
4.0m Product number: SUP-040	¥8,500

52φ meter panel	
1 hole panel Part number: M-002-1	¥600
2 hole panel Part number: M-002-2	¥850
3 hole panel Part number: M-002-3	¥1,000
4 hole panel Part number: M-002-4	¥1,200

52φ compound gauge	
LAMCO METER	
Black ¥9,000 White ¥9,000	
[Specifications]	
Type: Mechanical	
Display range: 0-1.1kg/cm ²	
Face Plate color: Black/White	
Illumination: Blue	
Size: 52φ×55 (depth)	
Accessories: 4φ hose-3-prong	

52φ boost gauge	
LAMCO METER	
Black ¥9,000 White ¥9,000	
[Specifications]	
Type: Mechanical	
Display range: 0-1.1kg/cm ²	
Face Plate color: Black/White	
Illumination: Blue	
Size: 52φ×55 (depth)	
Accessories: 4φ hose-3-prong	

52φ Digital Clock	
LAMCO METER	
¥8,000	
[Specifications]	
Type: Mechanical	
Display range: 24 hours	
Face Plate color: Black	
Font illumination: Green	
Size: 52φ×75 (depth)
